

# GWMS 7th Grade Community Service Project

## Form to Submit for Volunteer Hours Worked

For the 2015/16 school year, students are required to volunteer a minimum of 10 hours. In many cases, they will accompany other students to work on an organized project/event with a Parent Liaison who will log the hours each student works and submit them to be recorded on the “master community service spreadsheet.” In cases when individual students have a previously established volunteer commitment with a non-for-profit organization and/or work in their own neighborhood (e.g., help an elderly neighbor rake leaves or shovel snow), this form will need to be completed. In these cases, a representative from the organization or parent can complete and submit it so the hours worked can be recorded on the “master community service spreadsheet. Completed forms should be returned to:
